

SUPREME COURT OF GEORGIA

Case No. [New Case]

May 28, 2020

The Honorable Supreme Court met pursuant to adjournment.

The following order was passed:

STYLE OF THE CASE

Chief Justice Melton's March 14, 2020 Order Declaring Statewide Judicial Emergency tolled and extended deadlines imposed by this Court's rules, including deadlines for filing briefs, motions, and requests for oral argument. That Order was extended on April 6, 2020, and again on May 11, 2020, so that it is now scheduled to terminate on June 12, 2020.

The May 11 extension order gives courts the authority to reimpose deadlines previously extended or tolled by the March 14 Order. To keep this Court operating to the fullest extent practicable, and recognizing that most of the deadlines imposed by this Court's rules pertain to the e-filing of written documents rather than proceedings requiring in-person contact, this Court has determined that for this newly docketed case, the deadlines imposed by our rules, including Rules 10-13, 23, 26-27, 30, 33, 37, 42, 45-46, 48-49, 51, and 61-66, shall be in full force and effect and shall not be subject to tolling or extension under the March 14 Order as extended. Parties who can show good cause for their inability to meet a deadline imposed by this Court's rules due to difficulties they, their counsel, or other participants in the case have related to the COVID-19 pandemic or otherwise may seek extensions of time under Rule 12.
